Press Release for Public Safety

Niagara County Department of Health has rescinded a beach advisory at Niagara County Camping Resort beach located on Wheeler Road in the Town of Hartland.

Water Quality is once again suitable for recreational swimming

Niagara County, New York, 07/24/2008: Recent surveillance testing by the Niagara County Department of Health at Niagara County Camping Resort beach has determined that the water is suitable for swimming. The Niagara County Department of Health will continue to monitor water quality closely and will immediately notify the public of any problems associated with water quality.
