

PUBLIC HEALTH EDUCATOR

AVAILABLE TO SPEAK AT YOUR SCHOOL, MEETING OR CHURCH!

FREE!

TOPICS INCLUDE:

➤ **THE HEALTHY NEIGHBORHOODS PROGRAM**

(A Power Point presentation about our free door to door health & safety home inspection program)

➤ **INFECTION CONTROL:**

- (A Power Point presentation: How to Stay Healthy in a Very Germy World or discussion and demonstration on good hand washing techniques for children.)

➤ **RABIES:**

- **PREVENTING INFECTION FROM DOGS, CATS, BATS AND OTHER CREATURES**
This lecture comes complete with a fuzzy menagerie of stuffed animals. This is an important lesson for children.

➤ **PREVENTING LEAD POISONING IN CHILDREN**

For adults or children. Children read about Leo the Little Lion and get a free coloring book.

➤ **YOUR NEIGHBORHOOD: HEALTH HAZARDS TO AVOID**

➤ **FIRE PREVENTION SAFETY**

It Can Happen to You (A Power Point Presentation)

➤ **ASTHMA TRIGGERS IN THE ENVIRONMENT**

A Guide to Reducing Exposure to Attack Causing Irritants (A Power Point Presentation)
This program is recommended for anyone with respiratory problems.

➤ **BE AWARE OF YOUR AIR**

(Smoke, Second Hand Smoke, Radon, Carbon Monoxide, Asthma Triggers)

➤ **SMOKING: JUST THE FACTS**

An eye opening look at tobacco usage, the manufacturers and how they get you hooked.
(A Power Point Presentation)

➤ **HOW TOBACCO COMPANIES TARGET WOMEN & GIRLS**

(A Power Point presentation)

All of the topics above can be adapted to be of interest to any age group.
