### **CLERK'S OFFICE CHANGES ACCESS TO RECORDS WEBSITE**

Lockport – Niagara County Clerk Wayne F. Jagow says that his office will be ringing in the New Year with a new website offering public access to land and court records.

Effective January 2, 2009 the website for access to records online will be [www.searchiqs.com](http://www.searchiqs.com), powered by Info Quick Solutions, Inc. (IQS). IQS is the company chosen as the vendor to support the Niagara County Clerk Office Land and Court Records Management System.

Jagow said, "In our efforts to insure the integrity of our online documents at our "virtual" office, it will be necessary for our online users to register for a subscription to use the service. "This can easily be done by downloading the necessary form at the County Clerk website [www.niagaracounty.com](http://www.niagaracounty.com), or by calling IQS at 1-800-320-2617." He added, "There is an activation fee to subscribe, as well as a quarterly fee which provides unlimited searching and downloading, and as always, most records can be viewed for free in person at our office."

The Niagara County Clerks Office is located at the Niagara County Courthouse, 175 Hawley Street in Lockport, and is open for business Monday through Friday from 9:00 a.m. to 5:00 p.m. ###
