## **IN WHEATFIELD, ROSS URGES DAILY REMEMBRANCE OF WAR DEAD**

WHEATFIELD—The chairman of the Niagara County Legislature urged fellow Niagarans to make a daily effort to remember the sacrifices of veterans and war dead and to give thanks for the freedom bought by their sacrifice.

"What we have to remember as citizens of this great country is that every day—every day!— we should take a little time from our day to honor those veterans who gave their lives, who made the ultimate sacrifice," Legislature Chairman William L. Ross, C-Wheatfield, said during a ceremony that included several local dignitaries and members of American Legion Post 1451. "Remember, we wouldn't be living under that flag of freedom if they hadn't made that sacrifice."

Ross praised the Wheatfield American Legion post for its stewardship of the town's commemorations.
