

May is Older American's Month

In recognition of May as National Older American's Month, *c.a.s.e.* provides an annual conference dedicated to improving services for older persons in Niagara County.

Past topics have included:

- How to Age Well by Eating Right
- Reduce Risk of Falling & Moving Better with Arthritis
- Power your Memory
- Maintaining Dignity through Life's Difficulties
- Meeting the Challenges of Dementia
- Cultural Diversity
- Partnering with Physicians and Pharmacists in Caring for the Elderly

C.A.S.E.

C.a.s.e.

*Coalition of Agencies
in Service to the Elderly*

Working hand in hand.

Mission Statement & History

c.a.s.e. is a group of agencies, organizations and individuals whose mission is to provide community resource education and networking opportunities to enhance services for the aging in Niagara County.

Established in 1985, the focus of *c.a.s.e.* was to provide educational forums across the county that served as vehicles for networking, information and referral. It became apparent from these forums that transportation was a major concern of older adults. *c.a.s.e.* members conducted a survey in 1989 that indicated the need for consolidated, concise information about available transportation services in Niagara County. As a result, a transportation directory was created that is periodically updated.

In 1990, *c.a.s.e.* sponsored its first networking conference. The conference has become an annual event that provides current information regarding issues affecting older adults. It also acts as an opportunity for service providers to meet and share ideas.
