# Press Release for Public Safety

Niagara County Department of Health has rescinded a beach advisory at Niagara Hartland Campground beach located on Hartland Road in the Town of Hartland.

Water Quality is once again suitable for recreational swimming

- Niagara County, New York, 07/24/2008 Recent surveillance testing by the Niagara County Department of Health at Niagara Hartland Campground beach has determined that the water is suitable for swimming. The Niagara County Department of Health will continue to monitor water quality closely and will immediately notify the public of any problems associated with water quality.
- Additional information is posted on the Niagara County web site at [www.niagaracounty.com](http://www.niagaracounty.com)
- Questions regarding this advisory should be directed to Ronald Gwozdek, P.E. at 716-439-7452.
