What is the LOOW?

- Lake Ontario Ordnance Works
- Dates from World War II
- 7,500 acres acquired in 1942
- Subsequent Dept. of Energy and Defense activities
- Now, private and government ownership
- “Developed” and “Undeveloped” portions

Location of Lake Ontario Ordnance Works

 LOOW Site Setting

3 Main Parts to Community LOOW Project

1. Identify and compile relevant past LOOW historic activity, investigations and clean-ups into one GIS database
2. “Gap Analysis” of LOOW work
3. Identify issues and recommend solutions to accountable agencies
